God's Bright Treasures Ministry Inc. Mission Statement

At God's Bright Treasures Ministry Inc., our mission is to provide a Christ-centered, nurturing environment where every child is embraced with love, guided in faith, and encouraged to grow spiritually, emotionally, physically, socially, and cognitively. Rooted in the belief that each child is a precious gift from God, we are committed to fostering a safe, inclusive, and engaging atmosphere where children thrive through purposeful learning and meaningful relationships. By offering high-quality, child-centered care, we aim to lay a strong foundation for their future, shaping compassionate, confident, and faith-filled individuals who will contribute to a stronger, Christ-centered community.

"Train up a child in the way he should go, and when he is old he will not depart from it." Proverbs 22:6

Philosophy of God's Bright Treasures Ministry

We believe that each child is a unique creation of God, deserving of love, respect, and encouragement in a nurturing environment.

We believe that children learn best through hands-on experiences that foster curiosity, creativity, and a love for God's world.

We believe that faith and learning go hand in hand, and we strive to instill Christian values through daily interactions, play, and guided discovery.

We believe that every child is a blessing from God and that our role is to support their spiritual, emotional, and intellectual growth.

We believe in fostering a Christ-centered atmosphere where children feel safe, valued, and inspired to develop their God-given potential.

Standards of Operation

God's Bright Treasures Ministry Inc. is a Registered Childcare Ministry under the Indiana Family and Social Services Administration, adhering to all required standards and regulations.

The Dearborn Hills Church Executive Committee provides oversight and guidance for the ministry, while the Director and Administrative Staff manage its daily operations.

In the event of serious illness, injury, or death to the Director of God's Bright Treasures Ministry, the Assistant Director along with the members of the Dearborn Hills Church Executive Committee will oversee the daily operations of the program.

In our commitment to excellence, we go beyond ministry standards and are proud to be a CCDF, VCP, and Paths to Quality provider. Additionally, we aim to offer On My Way to Pre-K care beginning in August 2026.

Safe Conditions Policy

The following steps will be taken to ensure that your child is safe while at God's Bright Treasures Ministry. Children will be actively supervised with the required number of qualified adults (adults who have completed a national criminal history check, consent form, drug screen and negative TB test and have completed all required trainings). Our childcare will not care for children in areas that are being remodeled, repaired, or painted. The administrator or director is responsible for maintaining all interior and exterior surfaces, including walls, floors, ceilings, equipment, toys, furnishings, and cribs, in a safe condition, free of sharp points or jagged edges,

splinters, protruding nails or wires, loose parts, rusty parts, or materials containing poisonous substances. The child care will take the following steps to maintain the child care:

- 1. Clean the childcare daily; bathrooms, classrooms, playgrounds.
- 2. Ensuring that a qualified caregiver maintains ratios, group size and supervision at all times. (inside/outside, field trips, transportation etc.)
- 3. Keep the childcare in a sanitary condition at all times through routine cleaning.
- 4. Sanitize toys, furniture, cots and other equipment used by children, weekly and when they become soiled or contaminated.
- 5. Wash all soiled items before sanitization.
- 6. Follow any Executive Orders (EO) or local public health emergency requirements
- 7. Ensure handling and storage of hazardous materials and the appropriate disposal of biocontainments. Handwashing Exposure to blood and bodily fluids Poisons and hazardous material including but not limited to; plants, Asbestos, Carbon Monoxide, pest control equipment 8. Protection from hazards that can cause bodily injury such as electrical hazards, bodies of water and vehicular traffic.

Curriculum

Rooted in our mission and philosophy, the curriculum at God's Bright Treasures Ministry Inc. is designed to support the growth and development of the young children entrusted to our care. Our dedicated teachers implement a comprehensive range of activities, following a structured weekly scope and sequence aligned with the Indiana Early Learning Foundations to promote skill development. We currently use Learning Beyond Paper and you will be receiving evidence of these activities in Procare.

While at God's Bright Treasures Ministry, your child will engage in age-appropriate, developmentally enriching activities, including interactive reading, language and literacy development, cognitive growth, physical development, and STEAM-based learning (science, technology, engineering, art, and math). Additionally, faith-based and character-building activities are integrated into our daily routines, fostering both spiritual and moral development. Children will also have the opportunity to celebrate holidays and birthdays with their classmates in a joyful and inclusive environment.

To ensure the effectiveness of our curriculum, ongoing assessments and observations are conducted by GBT staff and/or qualified consultants. Individual progress reports are available to parents throughout the school year upon request, providing valuable insights into each child's learning journey.

Occasionally a teacher in your child's class will be absent for vacation, illness, or personal reasons. When this occurs GBT will arrange for a substitute teacher. All staff members, including substitute teachers, undergo full background checks by the FBI and the Indiana Department of Child Services.

Program Definitions and Hours of Operation

All programs are structured by **age according to state residency and kindergarten cut-off dates**. Dearborn County Indiana uses <u>August 1st</u> to determine age, while Hamilton County in Ohio uses <u>September 30th</u>. We are open Monday through Friday from 6:00am-6:00pm.

Full-Day Educare Program

Our Christian-based **Full-Day Educare** program provides a safe, nurturing, and faith-filled environment for your child while you are at work. Designed for children ages **6 weeks through 5 years old**, this program blends high-quality preschool education with dependable childcare, fostering growth in a loving Christian atmosphere.

To maintain consistency and ensure the best experience for each child, scheduled attendance must remain the same each week. For example, if you enroll your child for three days per week, those same three days must be designated each week.

Drop-off and Pick-up Guidelines:

- Drop-off is available between **6:00 AM and 10:00 AM**.
- Pick-up is required between 2:00 PM and 6:00 PM.
- Any late drop-off (after 10:00 AM) must be pre-approved by the GBT office, as it impacts staffing, meal planning, and curriculum execution.

For information on scheduled closings, inclement weather, or emergency closure procedures, please refer to the "Closings" section of this handbook. Details regarding tuition charges and credits can be found in the corresponding sections.

Schedule Changes

At God's Bright Treasures Ministry Inc., we understand that scheduling needs may occasionally change. The Director will determine if the request can be granted, and an additional fee will apply for any approved extra days.

Please note: swapping scheduled days without an additional charge is not permitted.

If you need to permanently reduce the number of enrolled days, please submit your request via email to the Director at hiskids@godsbrighttreasures.org at least two weeks in advance of the requested schedule change.

<u>Late pick-up</u> - The programs at GBT close promptly at 6:00 pm. We request your cooperation in picking up your child before the posted closing times. Weather and traffic conditions should be considered when making pick-up arrangements. Late fees will be assessed as follows:

```
Less than 15 minutes late = $10.00 fee/per child
15 - 30 minutes late = $20.00 fee/per child
30 - 45 minutes late = $25.00 fee/per child
45 minutes - 1 hour late = $30.00 fee/per child

In the event that an emergency has arisen, please call and inform GBT that you have been delayed, however, this will not waive the late fee. While we understand that emergencies do arise, we ask that, each family have a backup plan so that another authorized individual can pick your child up at these times.

Continual tardiness in picking a child up will necessitate the dismissal of a child from our program.

Medical Emergencies

In the event of a medical emergency, **every effort will be made to contact the child's parents and/or listed physician**. If parents cannot be reached, GBT will attempt to contact the **emergency contact person** listed on the registration form.

If emergency treatment is required, the child will be transported to the hospital or emergency facility specified in their registration records. All emergency contact and medical information must be completed and on file before a child begins attendance at GBT.

Medication:

Prescription Medications

God's Bright Treasures Ministry administers medication prescribed to enrolled children when the medication is provided to GBT in the original container with the Rx label specifying the name of the child, dosage instructions, and authorizing physician.

Over-the-Counter Medications

Over-the-Counter medications such as Tylenol, Advil, Benadryl, Neosporin, etc. may be administered by God's Bright Treasures Ministry when:

o The parent provides such medication in its original packaging to GBT with your child's full name written on the container and dosing instructions indicated.

All medications must be given by an Administrative Staff member. No medications may be stored in backpacks or classroom cubbies or closets. For safety reasons, medications are never allowed to be placed in water/milk bottles.

Immunizations:

Each child must have an immunization history, on file with God's Bright Treasures Ministry no later than 30 days after the first day of the child's attendance. All immunizations must be up to date. Indiana State child Care Guidelines prevent us from providing service if these requirements are not met. Your child would be excluded from service until the requirement is met. To preserve your child's spot in the classroom, normal tuition rates will apply during their exclusion.

Illness:

We understand that keeping ill children home can be a hardship for working parents; however, we encourage parents to exercise every caution and keep ill children home. If a child has been exposed to a contagious disease, they should be kept home and the illness should be reported to the GBT.

When your child is ill, we ask that you message through Procare by 9:00 AM so that meals and staffing can be adjusted appropriately. Parents of school-aged children are asked to notify the office on days they will not be returning to GBT after school due to illness or after-school activity (the elementary school does not do this for you). If they do not return to GBT in the afternoon as scheduled, we assume they have missed the bus and may be at risk.

At God's Bright Treasures Ministry Inc., the health and well-being of all children in our care are a top priority. If a child becomes ill while at our facility, we will promptly notify the parent or guardian. In the event that we contact you due to your child's illness, we require that they be picked up within **one hour** of notification.

This policy ensures the comfort of the sick child and helps maintain a healthy environment for all children and staff. If a parent or guardian is unable to pick up the child within the required timeframe, they must arrange for an authorized emergency contact to do so. Failure to comply with this policy may result in a review of the child's continued enrollment in our program.

We appreciate your cooperation in keeping our childcare community safe and healthy. As with our regular late pick up policy, late pick up fees will apply to extended pick up times beyond one hour.

Less than 15 minutes late = \$10.00 fee/per child 15 - 30 minutes late = \$20.00 fee/per child 30 - 45 minutes late = \$25.00 fee/per child 45 minutes - 1 hour late = \$30.00 fee/per child For the protection of all the children and staff at God's Bright Treasures, we cannot accept your child for care if he/she shows any of the following symptoms:

Your physician is the best person to consult if there is any doubt concerning your child's contagiousness during this illness. Please notify GBT if you suspect that your child has been exposed to chickenpox so that we may notify the other parents. The program will maintain a list of the children who have documented exemptions from immunizations and these children will be excluded from attending if/when a vaccine-preventable disease is introduced into the program.

blisters on hands and feet, and sometimes near the genitalia and on the buttocks. The child is contagious until the fever is gone (typically 3-4 days) and must be fever-free for 24 hours without the use of fever-reducing medications such as acetaminophen (Tylenol) or ibuprofen (Motrin or Advil) before returning. Additionally, all sores must be drying and not blistering.

- 14. *Coronavirus Disease* Coronavirus disease (COVID-19) is an infectious disease caused by the novel coronavirus, SARS-CoV-2, that appeared in late 2019. It is predominantly a respiratory illness that can affect other organs. People with COVID-19 have reported a wide range of symptoms, ranging from mild symptoms to severe illness. Symptoms may appear 2 to 14 days after exposure to the virus. Symptoms may include: fever or chills; cough; shortness of breath; fatigue; muscle and body aches; headache; new loss of taste or smell; sore throat; congestion or runny nose; nausea or vomiting; diarrhea. We reserve the right to refuse services to any child who is exhibiting any of the preceding symptoms upon arrival to GBT. We will also send your child home if symptoms develop during the day. In the case of extended illness, please notify the office so that arrangements can be made to hold your child's place. Normal tuition rates apply to all absences.

Birthdays and Special Occasions

We feel it is important to recognize your child on his/her birthday. Should you decide to send birthday treats please adhere to the following guidelines:

ALL treats must be store-bought. No homemade treats are permitted.

Health Department requires that all food be prepared in a Board of Health inspected and approved kitchen and therefore does not allow home-baked items (muffins, cake, cookies, cupcakes, etc.). Items purchased from these bakeries/kitchens must be sealed. We ask that you respect this ruling to avoid placing our staff or your child in an uncomfortable situation.

Birthday celebration arrangements must be made in advance with your child's teacher. This advanced planning prevents scheduling conflicts.

Communication

At GBT, we feel that communication between the program and a child's home and from the child's home to the program is essential to creating a positive and constructive atmosphere for each child. We strongly encourage each family to keep your child's teacher and/or office staff informed of any changes within your family that will affect your child, such as the birth of a sibling, a change in family structure, a death in the family, moving, etc. This helps us to help your child through these transitional and sometimes challenging events. We respect the information that you share with us and observe confidentiality in these matters. Feel free to communicate through the Procare App, telephone, or email.

Parent-Teacher conferences are scheduled upon the request of the Director, the Teacher or the Parents/Guardians. To make this time as productive as possible, we ask that children not attend these conferences.

God's Bright Treasures provides all communication through the Procare App.

Photo Use

Individual and small group pictures are used to capture special moments in the life of your child and to create take-home memories, miscellaneous class projects for each child, and slide presentations for special parent programs. This means that your child may appear in a picture that is displayed on the Procare app or go home with another child for their special memories, or in a slide show presented to GBT families. Objections to our use of your child's photo in this manner must be submitted to the Director in writing. Photos of your child that also have pictures of other children are strictly prohibited from use on social media.

Confidentiality

You may observe children at GBT who are disabled or who exhibit behavior that may appear inappropriate (i.e. biting, hitting, and spitting). You may be curious or concerned about the other child. Our Confidentiality Policy protects every child's privacy. All Employees of GBT are strictly prohibited from discussing anything about another child with you or others.

Parent Involvement

God's Bright Treasures maintains an open-door policy for our parents. Parents are welcome and encouraged to visit at any time. When you have the opportunity to visit, we ask that you be respectful of the activities occurring in the classroom and keep in mind that the teacher's priority and attention during class time is the children. If you have questions or comments about your visit, you may stop by the office. If you would like to speak with the teacher about the visit, we ask that you allow the office to set up a special time to talk. Special requirements are noted in the Parent Participation/Volunteers found later in this booklet for more information.

Parents are welcome and encouraged to volunteer to help with classroom activities, class parties, special events or field trips. Please express your interest to your child's teacher so they can help you to be as involved as is reasonable.

Regretfully, siblings cannot be present during class visits, parties, field trips, or when you are volunteering in the classroom. We cannot be responsible for the supervision of additional children or accommodate them with food or prizes. We thank you for your cooperation in this matter.

Rest Periods

Children enrolled in all Educare programs receive a rest period daily per registered ministry guidelines. One small blanket, one **travel-size** pillow, a crib sheet and one snuggly/cuddly all marked with the child's name may be sent for the child to use at rest time. All children are provided individually labeled cots for this time. <u>All</u> blankets, sheets, and pillows must be taken home and laundered weekly.

Discipline

The word discipline comes from disciple, which means "to teach." At God's Bright Treasures Ministry, we believe that learning self-regulation is just as important for a child as any other aspect of their education. As caring adults, we recognize that this responsibility is shared between parents and teachers. Like all meaningful learning, self-regulation takes time, patience, and consistent guidance. Children need to understand that they have control over their actions and responses in every situation—and that their choices lead to either positive or negative consequences.

Our staff encourages positive behavior by providing affirming verbal feedback. This not only helps children feel good about making positive choices but also serves as a model for others, showing them how they too can receive encouragement and praise. When a child engages in inappropriate behavior, we help them reflect on their actions and the resulting consequences, guiding them toward self-regulation.

If a child does not respond to gentle redirection, a teacher may ask them to "take a break" in a calm and quiet area. This strategy allows the child time to calm down, refocus, and be reminded of appropriate behavior.

Afterward, the teacher engages the child in a conversation to ensure they understand expectations before rejoining the class.

If challenging behavior continues, parents will be notified, and a meeting may be necessary to discuss how we can work together to support the child. In extreme cases, for the safety of the child and others, parents may be asked to pick their child up.

At God's Bright Treasures, we believe in discipline that nurtures growth and understanding. We do not use corporal punishment, nor do we allow any form of physical discipline. While in our care, children will never be hit, slapped, or spanked.

Our goal is to provide a loving, structured environment where children feel supported as they learn and grow. Through patience, encouragement, and partnership with parents, we strive to help each child develop self-discipline and the ability to make wise choices.

Mandated Reporting Of Suspected Child Abuse and/or Neglect

Under the Child Protective Services Act, mandated reporters are required to report any suspicion of abuse or neglect to the appropriate authorities. All employees of GBT are mandated reporters, under this law. The employees of GBT are not required to discuss their suspicions with parents before reporting the matter to the appropriate authorities, nor are they required to investigate the cause of any suspicious marks, behavior, or condition before making a report. Under the Act, mandated reporters can be held criminally responsible if they fail to report suspected abuse or neglect. GBT takes this responsibility very seriously and will make all warranted reports to the appropriate authorities. The Child Protective Services Act is designed to protect the welfare and best interest of all children.

As mandated reporters, the staff of GBT cannot be held liable for reports made to Child Protective Services which are determined to be unfounded, provided the report was made in "good faith."

Causes for reporting suspected child abuse or neglect include, but are not limited to:

- Unusual bruising, marks, or cuts on the child's body
- Severe verbal reprimands
- Improper clothing relating to size, cleanliness, and season
- Transporting a child without appropriate child restraints (e.g. car seats, seat belts, etc.)
- Dropping off or picking up a child while under the influence of illegal drugs or alcohol
- Not providing appropriate meals including a drink for your child
- ♦ Leaving a child unattended for any amount of time
- Failure to attend to the special needs of a disabled child
- Sending a sick child to school over-medicated to hide symptoms, which would typically require the child to be kept at home until symptoms subside
- Children who exhibit behavior consistent with an abusive situation

Parent Code of Conduct

GBT requires the parents of enrolled children at all times, to behave in a manner consistent with decency, courtesy, and respect. One of the goals of GBT is to provide the most appropriate environment in which a child can grow, learn and develop. Achieving this ideal environment is not only the responsibility of the employees of GBT but is the responsibility of every parent or adult who enters the facilities. Parents are required to behave in a manner that fosters this ideal environment. **Parents who violate the Parent Code of Conduct will not be permitted on agency property thereafter.** Please refer to the Policy on Parent's Right to Immediate Access for additional information regarding dis-enrollment of the child when a parent is prohibited from accessing agency property.

Swearing/Cursing:

No parent or adult is permitted to curse or use other inappropriate language on agency property at any time, whether in the presence of a child or not. Such language is considered offensive by many people and will not be tolerated. If a parent or adult feels frustrated or angry, it is more appropriate to verbally express the frustration or anger using non-offensive language. At NO time shall inappropriate language be directed toward any member of our staff.

Threatening of employees, children, other parents, or adults associated with GBT:

Threats of any kind will not be tolerated. In today's society, GBT cannot afford to sit by idly while threats are made. In addition, all threats will be reported to the appropriate authorities and will be prosecuted to the fullest extent of the law. While apologies for such behavior are appreciated, the agency will not assume the risk of a second chance. Parents must be responsible for and in control of their behavior at all times.

Physical/verbal punishment of your child or other children at GBT:

Corporal punishment is not permitted in the childcare facility. While verbal reprimands may be appropriate, it is not appropriate for parents to verbally abuse their child. Doing so may cause undue embarrassment or emotional distress. Parents are always welcome to discuss a behavior issue with the teacher and to seek advice and guidance regarding appropriate and effective disciplinary procedures.

Parents are prohibited from addressing, for the purpose of correction or discipline, a child that is not their own. Of course, no parent or other adult may punish another's child. If a parent should witness another parent's child behaving inappropriately or is concerned about behavior reported to them by their child, it is most appropriate for the parent to direct their concern to the classroom teacher and/or Director.

Furthermore, it is wholly inappropriate for a parent to seek out another parent to discuss their child's inappropriate behavior. All behavior concerns should be brought to the classroom teacher or the ministry director's attention. At that point, the teacher and/or director will address the issue with the other parent. Although you may be curious as to the outcome of such a discussion, Teachers and/or the Ministry Director are strictly prohibited from discussing anything about another child with you. All children enrolled in our agency have privacy rights and are further protected by our confidentiality policy. You may be assured that we will not discuss anything about your child with another parent or adult visiting.

Smoking:

For the health of GBT employees, children and associates, smoking is prohibited anywhere on agency property. Parents are prohibited from smoking in the building, on the grounds, and in the parking lot of GBT.

Violations of the Safety Policy:

Parents are required to follow all safety procedures at all times. These procedures are designed not as inconveniences, but to protect the welfare and best interest of the employees, children and associates of GBT. Please park in marked parking spaces only. The area directly in front of the entrance is a no parking zone. Children must be accompanied by an adult when entering or leaving the facility. Do not leave any child in an automobile unattended. When a school bus is picking up or dropping off students, immediately stop your vehicle and wait until the bus begins to move.

Confrontational interactions with employees, other parents or associates of GBT:

While we understand, parents will not always agree with the employees of GBT or the parents of the other children, it is expected that all disagreements be handled in a calm and respectful manner.

Confrontational interactions are not an appropriate means by which to communicate a point and are strictly prohibited.

Violations of the Confidentiality Policy:

GBT takes very seriously the responsibility of maintaining the confidentiality of all persons associated with the agency. Parents must understand the implications of this responsibility. Parents need to recognize that the confidentiality policy not only applies to their child or family, but all children, families and employees associated with GBT. Any parent who shares any information considered to be confidential, pressures employees or other parents for information which is not necessary for them to know, will be considered to be in violation of the confidentiality policy.

PARENT'S RIGHT TO IMMEDIATE ACCESS

Parents of a child in our care are entitled to immediate access, without prior notice, to their child whenever they are in care at GBT, as provided by law.

In cases where the child is the subject of a court order (e.g., Custody Order, Restraining Order, or Protection from Abuse Order) GBT must be provided with a Certified Copy of the most recent order and all amendments thereto. The orders of the court will be strictly followed unless the custodial parent(s) requests a more liberal variation of the order in writing. In the case where both parents are afforded shared/joint custody by order of the court, both parents must sign the request for more liberal interpretation of the order.

In the absence of a court order on file with GBT, both parents shall be afforded equal access to their child as stipulated by law. GBT cannot, without a court order, limit the access of one parent by request of the other parent, regardless of the reason. If a situation presents itself where one parent does not want the other parent to have access to their child, GBT suggests that the parent keep the child with them until a court order is issued, since our rights to retain your child are secondary to the other parent's right to immediate access. GBT staff will contact the local police should a conflict arise.

Visitors are asked to schedule appointments with the Ministry Director, and are permitted access the child care facility only at the discretion of the Ministry Director. An employee of GBT will accompany visitors at all times, throughout the campus.

GBT will dismiss any child whose parent is prohibited from entering upon agency property. Due to the parents' right to immediate access policy, as well as state and federal regulations, GBT cannot have a child at the agency when the child's parent is prohibited access. GBT will not agree to any request to maintain a child's enrollment even if the parent agrees to stay out of the facility. Such an agreement is a violation of the law and will not be entertained.

DISMISSAL FROM PROGAM SERVICES

GBT reserves the right to dismiss any child at any time, with or without cause.

Parents will be refunded any pre paid tuition (excluding the non-refundable registration, curriculum or supply fees) within three weeks of the dismissal. An agency check will be mailed to the address indicated in the child's file. Any past due balances must be paid within 30 days of the dismissal. An invoice detailing the past due balance will be forwarded to the address indicated in the child's file within one week of the dismissal. Any balances remaining after the 30 day period will be referred to the agency's legal counsel for collection.

The Ministry Director or designee will assist the parent in gathering their child's belongings at the time of dismissal and parents are required to leave agency property in a calm and respectful manner, immediately. GBT will request assistance from local police should any parent become disruptive and/or uncooperative while gathering their child's belongings upon dismissal.

A dismissed child and his/her parents are required to call and request an appointment with the Ministry Director if they wish to return to agency property following a dismissal. Appointments are made at the discretion of the Ministry Director and are not a right of the dismissed child or parent.

Following a dismissal, any parent or child who harasses, threatens or in any manner causes harm to anyone affiliated with the agency by calling, writing, or any other means, will be prosecuted to the fullest extent of the law, by God's Bright Treasures Ministry, Inc.

WITHDRAW

In the event that you find it necessary to withdraw your child from any GBT program, you may do so at any time. A two-week written notice is required informing us of the date the withdrawal is to be effective. If the proper notice is given, any unused tuition will be refunded within thirty days of the withdrawal. If the required notice is not given, parents will be charged tuition for two additional weeks. Should a parent wish to Enroll their child again, they will be assessed the previously mentioned non-refundable Registration, Curriculum and Supply fees.

Parents who wish to change their child's days or times of enrollment at GBT, may submit a written request to do so 2 weeks before the change is to happen with the Director.

The Director will notify the parents if the new schedule is achievable due to staffing and ratios. If the requested schedule is not available, parents may choose to continue with the current schedule until the requested schedule becomes available or may choose to withdraw their child from the program. The date the Director receives the schedule change will be used to toll the two weeks' notice required for withdrawal.

COURT ORDERS AFFECTING ENROLLED CHILDREN

In cases where an enrolled child is the subject of a court order (ex... Custody Order, Restraining Order, or Protection from Abuse Order) GBT must be provided with a Certified Copy of the most recent order and all amendments thereto. The orders of the court will be strictly followed unless the custodial parent(s) requests a more liberal variation of the order in writing. In the case where both parents are afforded shared/joint custody by order of the court, both parents must sign the request for a more liberal interpretation of the order. If conflicting court orders are presented, the most recently dated court order will be followed.

In the absence of a court order on file with GBT administration, both parents shall be afforded equal access to their child as stipulated by law. GBT cannot, without a court order, limit the access of one parent by request of the other parent, regardless of the reason. If a situation presents itself, where one parent does not want the other parent to have access to their child, GBT suggests that the parent keep the child with them until a court order is issued.

Once presented with a Protection from Abuse Order or a Restraining Order, GBT is obligated to follow the order for the entire period it is in effect. Employees of GBT cannot, at the request of anyone, except the issuing judge, allow a Protection from Abuse Order and/or a Restraining Order to be violated. GBT will report any violations of these orders to the court.

ARRIVAL PROCEDURES

Children must be accompanied by a **parent or caregiver** and dropped off **directly with their classroom teacher** before **10:00 AM**. By law, children must be supervised at all times while on the premises.

Check-In & Drop-Off

• Parents must **check in their child** using the Procare app upon arrival.

- Parents are responsible for ensuring their child's belongings are placed in the correct cubby each morning.
- Children must be physically handed off to a GBT staff member before the parent/caregiver leaves the facility.
- Dropping a child off at the entrance and expecting them to walk to their classroom alone is strictly prohibited.

Separation Anxiety & Smooth Transitions

Some children may experience separation anxiety during drop-off. To ease the transition:

- 1. Parents should **clearly communicate** the drop-off routine to their child (e.g., "After we put your things away, I will give you a hug, a kiss, and say goodbye.").
- 2. Parents should **keep goodbyes brief**—prolonged departures can increase a child's anxiety.
- 3. Classroom staff are available to provide comfort and assistance during this transition.
- 4. If a child continues to struggle with the morning routine over time, we are happy to discuss alternative strategies.

Building Access & Security

- Only adults are permitted to use the door access code.
- Children are **not allowed** to enter the code, press the emergency exit button, or push open the glass doors connected to the magnetic release system.
- Parents must not share their access code with family members or authorized pick-up persons. Instead, visitors must use the intercom, and an office administrator will grant entry. This policy helps maintain security and protect all children in our care.

Special Instructions & Communication

If there are any special instructions for the day, parents must:

- Submit them through **Procare**.
- Verbally communicate the instructions to the classroom teacher or Director.

Special instructions may include, but are not limited to:

- Early pick-up requests
- Alternative pick-up arrangements
- Health concerns from the previous night that require monitoring
- Other important details that may impact the child's day

NOTIFICATION OF ABSENCE

Parents are required to inform the GBT office through the Procare App before 9:00 am if a child will not be at the GBT on their scheduled day. This will enable the GBT to more effectively maintain appropriate ratios and help the classroom teacher effectively plan for the day.

If your child is ill, we request that you notify the director not only of the absence but also of the nature of the illness. This enables our faculty to keep track of any illnesses which may occur at our school. This information will only be shared with staff on a "need-to-know" basis. If your child has a communicable disease, we ask that you share the diagnosis with the Director, so that appropriate notification that a communicable disease is

present is communicated timely. Once again, only the communicable disease information will be shared. GBT will take all measures necessary to protect your child's confidentiality. Parents are not required to disclose this information by law, and your continued enrollment will not be based whatsoever on your decision to share, (or not) the reason for your child's absence from school.

Parents who know in advance that a child will be late, are required to notify GBT by 9:00 am to plan meals and maintain the appropriate teacher/child ratios.

AGENCY'S RIGHT TO REFUSE ADMISSION

GBT reserves the right to refuse admission to any child at any time with or without cause.

GBT strives to maintain an ample list of float teachers in anticipation of staff absences, however, there are times when substitutes are not available, and classrooms need to be closed to maintain compliance with registered ministry regulations. Refusal will be based on a "first come first served" basis when seeking to maintain appropriate staff-to-child ratios and/or when closing classrooms.

Possible reasons for the refusal of admission include but are not limited to:

- 1. Lack of staff to maintain appropriate Staff to Child Ratios as determined by State Registered Ministry Regulations.
- 2. The need to maintain compliance with Registered Ministry Regulations.
- 3. Staff deem the child too ill to attend.
- 4. Domestic situations that present a safety risk to the child, staff, or other children enrolled at GBT if the child were to be present.
- 5. Parents' failure to maintain accurate, up-to-date records.
- 6. Parents' failure to complete and return required documentation in a timely fashion.
- 7. Tuition or other fees are owed to GBT.

Parents will not be reimbursed for tuition on days when their child is refused admission to the program.

PICK UP PROCEDURES

Identification — Photo IDs will be required to compare to the names on file for authorized pick up until our staff becomes familiar with those individuals.

Parents or other authorized adults are required to check out the child from the Procare app. If alternate pick-up does not have access to the Procare app, the Teacher or Administrative staff member will sign the child out. The parent/caregiver is then solely responsible for supervising their child while on agency premises. The parent/caregiver may not allow a child to wander through the hallways, bathrooms, other classrooms, playground, and/or parking lot.

Please take home all papers in the child's cubby/folder and empty their school bag each day.

Incident/Accident reports are communicated through the Procare App. However, should you feel it necessary to have an in-depth discussion or meeting, it is most appropriate to schedule the meeting for a later date because the child's Teacher is responsible for supervising the remaining children in the classroom. A telephone conference may be scheduled for later in the day or for the next day at nap/rest time if the parent(s) is unable to meet at the GBT during the course of the day.

Only persons authorized to pick up your child are allowed to do so. We request a written note signed by the parent for someone other than the parent or those individuals listed on the registration form to pick your child up. Individuals unfamiliar to our staff will be asked to present identification when they arrive.

PERSONS APPEARING TO BE IMPAIRED BY DRUGS/ALCOHOL AT PICK-UP

The staff of GBT will contact local police and/or the other custodial parent should a parent appear to the staff of GBT to be under the influence of drugs and/or alcohol. The parent's right to immediate access does not permit the agency to deny a custodial parent access to their child even if the parent is or appears to be impaired. However, GBT staff will delay the impaired parent as long as possible, while contacting the other parent, the local police, and Child Protective Services.

Any other authorized person who attempts to pick up a child, and appears to the staff of GBT to be under the influence of drugs and/or alcohol will be denied access to the child. The staff of GBT will contact the child's parents, local police, and Child Protective Services to notify them of the situation.

EMERGENCY/ALTERNATE PICK-UP FORMS

At enrollment, parents will be presented with an Emergency/Alternate Pick-up form. Parents are encouraged to include on this form any, and all persons who, in the course of events, may at one time be asked to pick up their child from GBT. In an emergency, the child's parents will be called first. If they cannot be reached, the staff will call the persons listed on this form until someone can be reached.

Should the staff contact a parent, and the parent is unable to pick up the child, it is then the responsibility of the parent to arrange for their child to be picked up by someone on the emergency list. Failure of the parent to make such arrangements will result in dismissal from the program.

Parents do not need to be listed on the Emergency Contact Form. The nature of the parental relationship affords the parents (in the absence of a court order indicating otherwise) the right to pick up their child.

Parents will be asked to determine which persons (if any) on the Emergency/Alternate Pick-up form have the In the absence of this designation the people on the Emergency/Alternate Pick-Up Form are only afforded the right to pick up the child. Staff is not permitted to discuss the child's day with them.

The persons on the Emergency/Alternate pick-up form will be required to provide a government-issued photo ID prior to the agency releasing the child. There will be no exceptions to this rule.

All changes and/or additions to the Emergency/Alternate Pick-up form must be made in writing and be dated and signed. Only custodial parents have the right to make changes or additions to this form. GBT reserves the right to refuse/ban any person listed on the Emergency/Alternate Contact Form for any reason, including but not limited to violations of the policies/procedures contained herein. It is the responsibility of the enrolling parent(s) to inform each person on the Emergency/Alternate Form of the policies/procedures contained herein.

Should God's Bright Treasures Ministry need to close in the middle of the day, an announcement may be made via Procare. Should the staff be unable to reach the parents, the persons listed on the emergency contact form will be called until pick up arrangements can be made. Staff will notify the parents or emergency contact person at the time of the call; of the pick-up location should the children need to be evacuated from our facilities. Parents or emergency contact persons should report directly to the alternate location if one is indicated.

Should GBT need to close for any reason, tuition will not be refunded or reduced for closures of less than 5 consecutive school days. If the closure extends beyond 5 consecutive school days, families will be charged at 25% of the normal tuition rates. These charges cover building and maintenance fees, food loss, subscriptions, and teacher and administrative salaries.

TOYS FROM HOME

Due to the risk of damage, sharing issues, and loss, children are not permitted to bring in toys. Games etc. unless specifically requested by the classroom teacher for use as part of the curriculum or special event.

All items brought in for use as part of the curriculum, and/or for nap/rest time will be inspected by GBT staff for safety and appropriateness and may be prohibited at the sole discretion of GBT. GBT will not be responsible for lost or damaged items. Parents are responsible for enforcing this item-from-home policy with their children. Parents are encouraged to consult the classroom teacher should they find their child is having difficulty with this policy. If the parents fail repeatedly to enforce this policy with their children, the staff will call the parents and require that they come to the school and remove the items.

Children in classrooms with nap/rest time are permitted to include with their bedding supplies, one plush/non-musical toy with which to nap/rest. This toy will be kept with the rest time items and use of it will only be allowed at rest time.

DRESS CODE

Clothing:

Children are engaged in various activities during the course of the day; some of these activities can be messy, and/or athletic in nature. Outdoor play is an integral part of our curriculum. Children are engaged in outdoor play daily, weather permitting. Due to these activities, children are required to be dressed in seasonably appropriate, comfortable clothing. We recommend that the clothing be easily laundered. Please dress your child so that they are comfortable enough to enjoy their day at GBT.

Parents are discouraged from dressing children in overalls, or clothing with difficult closures. These types of clothing present particular challenges for children in relation to toileting.

Coats, hats, gloves, scarves and winter boots should be provided in the winter months. It is not necessary for the children to wear their winter boots to school. Teachers will change the children into their winter boots when/if they go outdoors.

The most appropriate type of shoes for participation in school activities are rubber-soled, gym/tennis shoes. Open toed, and/or open backed shoes present challenges when running, jumping, and climbing and expose children unnecessarily to bee stings, mulch splinters, and tripping injuries.

Children ages 5 and under are required to have one seasonably and size appropriate complete change of clothing at GBT at all times. Children under 3 years of age are required to have two seasonably and size appropriate, complete changes of clothing at GBT at all times. A complete change of clothing includes shirt, pants, underwear, socks, and shoes. Teachers will post reminders for parents to update changes of clothing as the weather begins to change.

All clothing items must be clearly labeled with the child's first and last name. This includes coats, hats, gloves, scarves, and boots. GBT is not responsible for lost or damaged items of clothing.

Jewelry/Accessories:

When choosing accessories for your children, be mindful of the potential safety issues they present not only for your child, but also for the older and younger children attending GBT.

GBT will not be responsible for damage to or loss of valuables.

PARENT PARTICIPATION/VOLUNTEERS

Parents are invited and encouraged to be involved in their child's school activities. There are many different ways in which parents can participate and volunteer at our program. Parents may volunteer to attend trips, read in the classroom, assist teachers, and/or coordinate special events. Parents not interested in volunteering directly in the classroom may donate items, do maintenance work, or assist in the front office.

Any parent who volunteers in the classroom on a regular basis may be required to pay for and secure all criminal background checks, as required by our registered ministry regulations. Any person, including parents, with felony convictions, sex offender convictions and/or open investigations into any criminal activities will not be permitted to volunteer in the classroom, or on field trips.

Parents with court orders detailing custodial arrangements will only be permitted to volunteer on days in which they are afforded custody (joint/shared custody arrangement) as per the court order. For example, if a parent is afforded custody on Tuesdays and Wednesdays, that parent will only be able to volunteer on those days. Parents with visitation only (sole/exclusive custody arrangements), will only be permitted to volunteer with the express written permission of the custodial parent.

HEALTH AND SAFETY

• ENROLLMENT REQUIREMENTS

Each child is required to complete a Registration packet of information. This packet is to be returned to the GBT office to secure your child's enrollment.

Immunization History - All children are required to have a complete updated immunization record on file at GBT. This is per Indiana Registered Ministry regulations. If you have chosen not to have your child immunized, please ask the director for an immunization waiver form. Immunizations may be waived for certain reasons. Please discuss this with the Director to determine whether you have the right to be enrolled and not have your child immunized. Parents are required to have a waiver on file in place of an immunization record so that we can maintain compliance with licensing regulations. The waiver must be renewed annually per state guidelines.

Birth Certificate – Each child is required to provide a copy of the official birth certificate. This allows GBT to verify the child's age and proper grade assignment, and to confirm parental rights. If someone other than those listed on the birth certificate has guardianship, then certain court documents will be required. See the Director for guidance.

CHILDREN WITH SEVERE ALLERGIES

For the safety of your child, parents are required to provide a signed copy of the "Authorization For Emergency Care for Children with Severe Allergies" form, detailing any allergies, food or otherwise, from which their child suffers, at the time of enrollment or when the allergy is discovered. This form must be completely filled out by the child's physician and parent(s) or legal guardian(s), and must be updated every six months, or more frequently, as needed. In addition to this form, parents must provide a copy of any additional physician's orders and procedural guidelines relating to the prevention and treatment of the child's allergy. This form can be obtained by request from the Director.

Parents must also execute a "Release and Waiver of Liability for Administering Emergency Treatment to Children with Severe Allergies" form. This form releases GBT from liability for administering treatment to children with severe allergies and taking other necessary actions set forth in the "Authorization for Emergency Care for Children with Severe Allergies" form, provided GBT exercises reasonable care in taking such actions.

Any medication required to treat an allergic reaction must be provided in accordance with the Medication Policy detailed herein.

For the safety of a severely allergic child, parents are required to pack lunches and or snacks for children with allergies that prevent them from eating the lunch/snack provided.

• COMMUNICABLE DISEASES

Parents are required to pick up an ill child within 45 minutes of notification by phone. If a parent is reached, but cannot pick their child up within 45 minutes, it becomes the parent's responsibility to arrange for an alternate pick-up with someone listed on the child's emergency contact form. The staff will not continue to call those listed on the emergency contact list once a parent is reached. If a parent cannot be reached, the staff will begin to call the people listed on the emergency contact form, until arrangements can be made for the child to be picked up.

Children will be excluded from participation in the program if they exhibit symptoms of any communicable disease. They will not be permitted to return to the program until they are no longer contagious. Guidelines for determining the contagious period for a specific illness are listed in the illness section of this handbook. Children may be asked to present a doctor's note stating they are no longer contagious and can safely return to the program. GBT reserves the right to refuse to allow a child to return if the director or administrative personnel believe the child to be too ill to participate in the program.

Children excluded from the program due to a fever may not return to the program until they are fever-free, without fever-reducing medication, for 24 hours. If your child is sent home due to a fever, he/she is not permitted to return to the program the following day at a minimum. A fever is defined as a temperature reading on a thermometer of at least 100.4 degrees Fahrenheit or more as taken in the ear or rectally.

Children are required to be excluded from the program for loose bowels or diarrhea which occurs more than two times in 24 hours. Diarrhea/vomiting that happens at home the 24 hours prior is considered as well. Children may return to the program when normal bowel movements resume.

If your child will be absent due to illness, we request that you notify the director or administrative staff by telephone. This enables our faculty to keep track of any illnesses, which may occur at our school. This information will only be shared with faculty on a "need-to-know" basis. If your child has a communicable disease, we ask that you share the diagnosis with the director, so that the parents of the children in the school may be notified that a communicable disease is present. Once again, only the communicable disease information will be shared. GBT will take all measures necessary to protect your child's confidentiality. You are not required to disclose this information by law, and your continued enrollment will not be based whatsoever on your decision to share, (or not) the reason for your child's absence from school.

• BITING

GBT recognizes that biting is a developmentally appropriate behavior for children under the age of 3. Parents with children in this classroom should expect that their children may be bit, or will bite another child. We understand that parents are concerned and can be upset when their child is involved in a biting incident. Administrative staff are informed of every occurrence. The "bitee" and the "biter" both receive an incident report on the app. We ask that you remember this is a developmentally appropriate behavior in 2 year olds, and that the staff is working to identify situations, which provoke, or elicit this behavior so it can be prevented in the future. For instance, they may be teething, need oral stimulation, need to express control, be trying to get more attention, react in self-defense, cannot properly express their needs, frustrations, anger or confusion, fears, or feel trapped in a small or closed space. A lack of self-regulation is usually the reason. The staff will not punish, or harshly discipline children in the younger classrooms for biting behavior; they will simply redirect the children to different activities in separate areas of the classroom. Parents will be expected to work with staff to identify methods and strategies to curb this behavior. Uncooperative parents will have their child's services terminated.

Children older than 3 years of age may occasionally be involved in a biting incident. For children in this age group who bite, the staff will use the discipline procedures outlined in the discipline section of this handbook, as well as observe the child to determine what provokes or elicits this inappropriate behavior. Parents are expected to cooperate with staff to help their child control this behavior. Uncooperative parents will have their child's service terminated. Furthermore, children 4

years and older, who repeatedly bite, will be suspended or expelled from the program.

Parents will be notified by incident/accident report that a biting incident occurred during the course of the day. The staff may not discuss with either parent the identity of the other child involved in the incident. This information is considered to be confidential and cannot be disclosed. The staff of GBT cannot discuss the medical history of any child involved in a biting incident with the other party. It is recommended that any child involved in a biting incident be seen by their family physician if the parents are concerned about communicable diseases possibly resulting from the biting incident.

• DISPENSING MEDICATION

GBT does not provide any medication for children. GBT will only dispense over-the-counter and/or prescription medication that is in original, labeled containers provided by the parents/caregivers.

Before administering fever-reducing/pain medication, GBT staff will contact a parent or person listed on the emergency contact form, if a parent cannot be reached, to inform them of our need to administer the medication. Staff will also inform the parent or emergency contact person if the child must be picked up due to illness. Refer to the policy listed above regarding picking up ill children.

Parents are responsible for ensuring that all prescription/over-the-counter medication is properly labeled, in the original container, and labeled with your child's name, dosage, and instructions.

FIRE/EMERGENCY DRILLS

Regulated by the State of Indiana Department of Homeland Security, GBT conducts monthly fire and emergency/evacuation drills. Parents, staff and children will not be made aware in advance of drill dates or times, as this is the most effective way to assess the effectiveness of fire and emergency/evacuation plans.

In the event of a real fire/emergency situation, the director or administrative personnel will inform each classroom teacher that the school will be closing. At this time any parents waiting to sign their child in will have to leave the premises with their child. All other parents or emergency contact persons will be notified by telephone or app messaging of the situation. As with the sick child pick up policy, all children must be picked up within 45 minutes of the telephone call/message.

Parents wishing to sign their child out of the program during a fire/emergency drill or real fire/emergency situation are expected to have patience with the staff as they are trying to maintain order during an often hectic and dangerous situation. If GBT is having a real fire/emergency situation, parents will be asked to wait until the director or administrative personnel have accounted for all staff and children and gives the staff permission to release the children. Once again, it is important for parents and staff to work together, remain calm, and cooperate with the fire/emergency personnel and program administration during these important and critical situations.

• INCIDENT/ACCIDENT REPORTS

Should your child be involved in an incident/accident during the course of the school day, a staff member will complete an Incident/Accident Report in the Procare App. All incidents are reviewed and approved by administrative staff.

FIREARMS AND WEAPONS

At no time is any person permitted to carry any type of Firearm, Ammunition, and/or Weapon on agency property for any reason. Violation of this policy will result in immediate dismissal from the program.

FOOD/MEALS

GBT does not provide breakfast in the morning. Parents should feed their child/children a nutritious and filling breakfast prior to arriving at GBT.

God's Bright Treasures provides morning and afternoon snacks for children in attendance at snack times. Full-day children 12 months (pending parental approval) and up will be offered a lunch daily. A lunch menu will be posted monthly. Full-day children are welcome to bring a **nutritious** packed lunch if they wish (no fast food please). This does not change your tuition fees. Lunch boxes look the same to small children and some are exactly the same. Please mark all lunch boxes with your child's name. While we do not serve breakfast, full-day children are welcome to bring a nutritious breakfast from home until 7:45 am to consume upon arrival in the classroom, Breakfast from home will be cleaned up at 8:00 am. All food item containers must be labeled with your child's name. GBT does not permit children to share or exchange food items. *Children must be present by 8:15 to participate in the morning snack*.

For the safety of your child, parents are required to provide notification, in the form of a doctor's note, of any allergies (food or otherwise), with instructions for treatment should a child have an allergic reaction. Please refer to the Health and Safety Policies contained herein for further information. Parents are required to provide written notification of any food/dietary restrictions. (i.e. lactose intolerance, vegetarian diets, wheat-free/gluten-free diets). GBT does not have the resources to make substitutions and parents are required to pack acceptable replacements for dietary restrictive items.

GBT never uses food as a punishment. Children will never be denied access to lunch or snack time for behavior reasons.

With signed permission from the parents, food can be used by teachers as a reward for good behavior and/or for classroom lessons and parties. Any food given as a reward (i.e. lollipops, candy) may be consumed at GBT or placed in the child's cubby/school bag to be enjoyed at home.

GBT curriculum focuses on developing healthy, well-balanced eating habits. Therefore, if parents elect to send a packed lunch/snacks from home, items must be healthy choices for the child. Lunches should include a sandwich (or main entrée item), and side item(s). GBT will provide milk and water for children who wish to have it with lunch. Please refrain from sending juice or soda. Side items should be healthy, such as fruit, vegetables, and the like. Parents should limit junk food to a minimum in their child's lunch. All uneaten food will be placed back in the child's lunch container so parents can see what items and how much their child consumed during the day. Parents should limit the number of choices offered in their child's lunch, as children often become distracted by too many choices. Parents should provide enough food so that their child is satisfied, but not so much that food is wasted.

GBT does not allow candy bars, sodas, or candy treats such as Skittles, Starbursts, or gum, in a child's lunch. If you wish for these foods to be a part of your child's diet, please give them to your child at home.

GBT prohibits any food item in glass containers. These can be safety hazards for the children and staff.

GBT is unable to provide refrigeration or warming of packed lunches, therefore you will need to either send items that do not need to be refrigerated or heated, or pack food in containers that will keep the food at a safe temperature until consumed.

Please send a water bottle with a **covered spout/straw lid** (state licensing requirement) labeled with your child's name daily.

Supplemental snack time items may be brought from home as well. Items should be non-sugary items.
